### FACT & FIGURES

#### End user

➤ Abu Dhabi Marine Operating Company (ADMA-OPCO)

#### Contractor

➤ Technip / National Petroleum Construction Company and Gulf Piping Co

#### Year

➤ 2008

#### Contract value

➤ 6.20 million USD

### ➤ NOTES

#### One global piping solutions provider for ZAKUM

Zakum is the main oil field in the U.A.E. Located in Abu Dhabi, it's one of the largest offshore field in the world, with a total production around 20 Gbbls.

It's the first of its case PO for Sour Service Pipes for ADMA Project which has gone to a global piping solutions provider as the recommendation of the client was to go to manufacturers only. Trouvay & Cauvin delivered the complete Sour Service Station Pipes even after conducting special HIC tests in house for ADMA – GPF Offshore Platform Project with Technip/ NPCC joint venture.

### ➤ TECHNICAL DATA
